PRODIGAL  
DUAL CHANNEL STRIP

“makes everything  
sound better  
than it should”

David Nicholas  
(INXS, Pulp, Elton John)

The Szikla Prodigal serves as both an elite solid state analog signal chain in the studio, and the definitive pro rig for tracking, printing and mastering at home. Just add your laptop, DAW and monitors, and use the zero latency Monitor Station for mission control.

- Balanced Mic, Line or Instrument inputs
- Balanced +4/-10 outputs
- Mono/stereo operation with matched channels
- Connects to balanced or unbalanced devices
- 2 x Pre Amp, Bandwidth, EQ, De-Esser, Compressor
